SEMI-ANNUAL TRADE LIST

-FOR-

FALL OF 1903.

For Nurserymen and Dealers Only.

The Willadean Nurseries,

The Donaldson Company,

(Successors to Donaldson & Gibson.)

Always use the Nurserymen's Telegraphic Code in telegraphing.

Copies will be furnished customers free on application.

Terms cash before shipment less five per cent. unless with established nurserymen, when if unknown to us, a satisfactory reference will be required before shipment.

State explicitly the mode of conveyance by which the goods are to be forwarded, as our responsibility ends on delivery to railway station or express office.

Two hundred and fifty, twenty-five and five will be furnished at the thousand, hundred and ten rate respectively.

While we exercise the greatest diligence and care to have our stock true to name, it is mutually agreed between ourselves and customers that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally received for stock that may prove untrue.

Our packing season usually begins in fall, about first of October, continuing until cold weather sets in, and about the first of March to end of April in spring.

BOXES CHARGED FOR AS FOLLOWS:—9 to 10 feet, 30 x 30 inch head \$2 75. 9 to 10 feet, 24 x 24 inch head \$2 50. 9 to 10 feet, 20 x 20 inch head \$2 00. 8 to 10 feet, 16 x 16 inch head \$1 50. 8 to 10 feet, 12 x 12 inch head \$1 00. Bales from 25 cents to \$1 00. Boxing seedlings from 50 cents to \$1 00 extra per box, according to amount of packing used.

CERTIFICATE OF INSPECTION.—This is to certify that the nursery stock belonging to The Donaldson Company, successors to Donaldson & Gibson, situated at Warsaw, Gallatin County, Kentucky, was inspected September 17th, 1903, as required by the law entitled "An Act to provide for the inspection of nursery stock and to prevent the dissemination of noxious insects and fungi" (Acts of the General Assembly of the Commonwealth of Kentucky, Special Session, March, 1897), and no indications were found of the presence of San Jose Scale or other dangerous injurious pests.

This certificate is invalid after June 15th, 1904.

LEXINGTON, KY., Sept. 18th, 1903.

H. GARMAN,

State Entomologist.

No. 38.

OFFICE IN LINEBACK BUILDING,
